Dear Mr. Perroni:

This letter is in response to your Freedom of Information Act (FOIA) request filed May 23, 2017 addressed to the U.S. Coast Guard (USCG) for radio communications from Catalina Island to the United States Coast Guard Station Los Angeles/Long Beach on 29 November 1981. You specifically requested radio communications between 0100 and 0900. Your request was received in this office on May 31, 2017. This office received your request on 31 May 2017 and was assigned FOIA number 2017-CGFO-02173.

This is not a Denial. We conducted a comprehensive search of files within our database for the radio communications you requested. Unfortunately, we were unable to locate any records of radio communications for that time.

If you need to contact our office concerning this request, please call 310-521-3771 or email [John.D.Packard@uscg.mil](mailto:John.D.Packard@uscg.mil) and refer to FOIA Case 2017-CGFO-01712

Sincerely,

A handwritten signature in blue ink, appearing to read "J. D. Packard".
